DETAILED ACTION

1. This office action is response to Applicant's amendment received on February 13, 2001.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 13 and 15 are rejected under 35 U.S.C. 102(b) as being anticipated by Atkinson. Atkinson discloses the same invention including a body (10), motor (11), blade (16), pivotable sole plate (15) to be held in a plurality of positions in which one position the sole plate is in contact with the workpiece (fig. 7), second position in which the sole plate is out of contact with the workpiece (fig. 6), and lockable in any one position (col. 3, lines 3-5).

Response to Amendment

4. Applicant's arguments have been considered but are moot in view of the new ground(s) of rejection.

Allowable Subject Matter

5. Claims 9-12, 14, and 16 are allowed.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
